HOW THE LOERIES® OFFICIAL RANKINGS™ ARE CALCULATED

While there can be many ways of analysing any competition, we have provided a thorough and fair process to accurately report on the results of the awards. The exact methodology that is used for the ranking is described here, and publication of the chosen procedures in advance of our entry deadline and judging ensures no bias in favour of any particular outcome.

- 1. BRANDS GET POINTS:** A credited brand gets full points, irrespective of the entering Agency. For example, if a Brand wins two awards with two separate agencies, the Brand gets full points from both awards
- 2. POINTS ARE GIVEN FOR EACH AWARD.**
- 3. POINTS PER AWARD:**
 - 300 points for Grand Prix;
 - 110 points for Gold; 40 points for Silver;
 - 15 points for Bronze;
 - 90 points for Craft Gold;
 - 30 points for Craft Certificate.
- 4. CAMPAIGN ENTRIES GET 1,5x POINTS:** All Campaign categories (Type B) will all be awarded 1,5 times the points.
- 5. COMBINED CAMPAIGN ENTRIES ALSO GET 1,5x POINTS:** Single entries (Type A) that are combined into one campaign award during judging will receive 1,5 times the points. For example, if three print posters are combined and awarded a Campaign Gold, then the award will be worth $1,5 \times 110 = 165$ points.
- 6. FOR COMPANIES; POINTS ARE DIVIDED IF MORE THAN ONE NAME IS PROVIDED FOR ONE CREDIT:**

Where more than one company has been credited for any one credit, the points will be divided equally between the parties. For example, a Gold Winner receives 110 points. If two companies are listed under "Agency", each will receive 55 points. However, one "Agency" and one "Production Company" will each receive the full points.
- 7. FOR INDIVIDUALS; FULL POINTS ARE GIVEN FOR EACH NAME LISTED FOR ONE CREDIT:**

Where more than one individual has been credited for any one credit, each individual will get full points. For example, a Gold Winner receives 110 points. If two Creative Directors are listed, each will receive 110 points, or if three people share the "Writer" credit, then each person will receive 110 points.
- 8. FOR INDIVIDUAL CREATIVE RANKINGS:** A person is only awarded points for the most senior creative position, even if their name is listed in multiple creative credits. For example,

if someone is credited as Executive Creative Director and Creative Director, they will only receive points for Executive Creative Director.

9. **AGENCIES AND PRODUCTION COMPANIES GET FULL POINTS:** As long as there is one name per credit, then each credit gets full points. For example, if a TV Commercial wins gold, the credited Agency gets full points and the credited Production Company gets full points. If two agencies share one credit, then each agency gets half the points.
10. **A COMPANY CANNOT RECEIVE POINTS AS BOTH AN AGENCY AND AS A PRODUCTION COMPANY.**
11. **CRAFTS:** Production companies will receive points from International Craft entries; however agencies will not receive any points. For example, if an illustrator from within our region does work for a London agency to be flighted in Europe, based on a brief and concept created in London, then the work is eligible for an Illustration craft award and craft points. But the London agency gets no points.
